Q: Are all camps one-week long?

A: We offer a variety of camps from week long to daily and ½ day camps.

Q: What is the time schedule?

A: Early start camps are 8:00 am – 4:00, Discovery Bay and Pavilion Camps 9:00 am – 5:00 pm and Aquatic Camps 9:00 am – 4:00pm ½ day camps vary.

All OFFSITE camps will not allow late drop-off OR early pickup. Please contact us for any questions.

Q: What are the additional safety protocols in place to protect my child(ren)?

A: Safety is our number one priority. Our teams have worked hard to ensure that all cleaning protocols have been enhanced to not only meet but exceed CDC recommendations for cleaning and sanitization. PRO Club has invested more than a million dollars in state-of-the-art cleaning technology to make PRO Club the cleanest and safest facility. No one even comes close.

This includes:

- Patented airPHX® air purification continually sanitizes the air and everything the air touches 24/7.
- UV Sanitation Robots are used at night to sanitize all kid's spaces.
- UV Triple Filtration keeps our pools crystal clear and clean.
- Electrostatic disinfecting sprayers are used to sanitize small equipment and high touch areas.
- 24/7 Clean Team maintains the facilities club cleanliness.
- Spray disinfecting bottles and clean towels are on every piece of equipment.

All camp coaches/instructors have completed in-depth training on cleaning, sanitization, and camp schedule/logistics procedures.

We also have detailed processes to keep our camp participants and associates safe. Children, families, and staff are required to stay home when sick.

Q: Do you have any discounts available?

A: Members and child of members receive member and child-of-member pricing.

Q: What about camps during the July 4th holiday?

A: If your chosen camp is during the holiday week, there will not be any camp held the day of the 4th. Prices will be adjusted accordingly.

Q: What is the cancellation policy?

Minimum of four participants must be enrolled for camp to be held. In the event a camp is canceled by PRO Club, any registered participant will be refunded 100% of their original payment. There are no pro-rated refunds or make-ups offered for missed days of registered camps.

If a member or guest needs to cancel a camp reservation or reschedule a session, one week notice is required. Please contact the Front Desk to make a cancellation. Camp fees are non-refundable for cancellations made less than one week prior to the first day of the camp session.

SAFETY AND SECURITY PROCEDURES

Ensuring the safety and well-being of our campers is our number one priority. Below are the safety measures we adhere to during all camps.

Bracelets

During the first day of check-in, every camper will be issued a custom fit/snap bracelet corresponding to the camp in which they are enrolled. Bracelets will be used by coaches to identify which camp each child is participating in. Bracelets are designed to fit securely and are not to be removed for the duration of the week. Coaches constantly check for bracelets during check-in, transitions, and check-out. If any child is missing a bracelet, a new bracelet will be issued immediately.

Lead & Trail Coaches for all Transitions

Any time campers are transitioning, there is one coach leading the group and one coach at the end. When the line is longer than usual, an additional coach is positioned in the middle of the single file line. All coaches are responsible for a head count before and after a transition to ensure everyone is present.

Swim Test

All participants enrolled in swimming camps are required to take a swim test. If the swim test is not successfully passed the participant will be provided with a life jacket that they are required to wear.

Off-site and Adventure Camps

Adventures and off-site camps are planned with safety in mind. Participants are transported to offsite camps and field trips in PRO Shuttles. Shuttles are equipped with seatbelts which are required to be always worn. In addition, vans are equipped with dash cams so driving can be monitored.

Coaches are equipped with a first aid backpack and instructors/coaches are skilled in CPR/basic first aid.

Plus, each camp lead carries the emergency contacts for parents/guardians of participants as well as needed medications/allergies or other physical needs.

REGISTRATION

Registration deadline is one-week prior to the start date. After registration deadline, fee is an additional \$10 for 1–2 day camps and \$30 for 3–5 day camps. Enrollment changes must be made at least one-week in advance of the camp start date in order to receive a refund. Prices do not include sales tax.
